Dear Friends:

Hope this newsletter finds our membership in good health and spirits. There are so many activities going on in our Hungarian community, it looks like we are in for one very busy 2006 and with good reason. Foremost, from my prospective is the 50th anniversary and commemoration of the '56 revolution and of course our Szekely Kapu building and dedication. Our wood carver will be arriving between April 1 and the 15(I have been assured by our attorney) and plans are being formulated for the dedication on Sunday, September 10th.

All of the submissions have been received and a committee assembled to select our club banner. I am very excited at this prospect.

The schedule of events are included with this Hirek. It has been very difficult to formulate so many activities. I pray our membership is up and breathing when this year comes to an end, because dear friends **I am going to be calling on you for your help!!**

The Board decided to formulate a goal and schedule for donations to the Szekely Kapu Fund. These donations are tax deductible (depending on your individual income level). We will also be building a donor wall or some facsimile for the names of the donors.

GOAL \$6,000.00

\$2,500.00 Gold
life-time membership for immediately family (father, mother & children under 18)

\$1,000.00 Silver
\$ 500.00 Bronze
\$ 100.00 Brass

This goal is not so far-fetched and I believe attainable. Please help to support our Szekely Kapu and give us pride in our club grounds and in the preservation of our Hungarian culture.

I am encouraging as many of our members as possible to attend the dinner on Sunday, March 19th, at the W. 150th and Puritas Ave. Hungarian Reformed Church for our club member Csaba Gyarmathy and his family. Csaba has suffered a very serious bacterial infection, undergone heart surgery and is in very unstable condition at this time and in desperate need of our prayers and financial help through this fund raiser. Please.....Help. If you cannot attend and can in some way assist, send a check to the club P.O. Box and we will make sure it gets to his family.

I think for the moment I am out of any more words of information. Be proud of your Hungarian heritage!!!!!!!!!!!!

Schedule of Events for 2006

FYI — 1956 Revolution WHO WAS IMRE NAGY !!!!

Imre Nagy—born June 7, 1896, - died June 16, 1958, Budapest, Hungary. He fought in World War I, was captured by the Russians, and joined the Red Army. He lived in Moscow (1929-44), then returned to Hungary under the Soviet occupation and held several ministerial posts.

An advocate for peasants' rights, he became premier (1953-55) but was ousted for his independent ideas. During the Hungarian Revolution (1956), he again served as premier and sought to establish Hungary's independence from Soviet domination.

He made an unsuccessful appeal to the West for help against the invading Soviet troops and he was arrested, tried and executed. (Encyc. Britannica)

A film by Márta Mészáros (2005) "The Unburied Man" "Temetetlen Halott) depicts the interrogation, trial and execution of the leader of the 1956 Hungarian Revolution against Soviet Communist tyranny)
